Letter dated 19 April 1999 from the Permanent Representative of Belarus to the United Nations addressed to the Secretary-General

With reference to paragraph 3 of General Assembly resolution 53/202, I have the honour to submit on behalf of the Government of the Republic of Belarus a proposal to include the topic "The role of the United Nations in promoting peace and the sustainable development of mankind in conditions of globalization" among the topics to be considered by the General Assembly that could help to focus the work of the Millennium Summit within the context of an overall theme.

I should be grateful if you would have the text of the present letter circulated as a document of the General Assembly, under agenda item 30.
